

What will you do next to...

## Keep Kids Safe, Healthy, and Happy?

- Report suspected child abuse and neglect when you see it. **Call 800-207-4464.**
- Learn all you can about Adverse Childhood Experiences (ACEs) that leads to Toxic Stress.
- Become a Resource Family. Foster children with love. Consider adopting a child.
- Be a “Water Watcher” to help prevent drownings. Be a “Chosen Child Checker” in and around cars to help prevent heat stroke and other injuries.
- Slow down to really listen to a child...and hear what they are saying.

---

*The more aware we all are, the safer all children will be.*
